Our Club News

The weather is getting warmer and Basques are getting hotter as this month brings us plenty of Basque action. One thing that we've been planning for a while is a "**Klika in America**" tribute which will embrace all klika players from Bakersfield, Chino, San Francisco & now Rocklin. During our Convention weekend all players past & present are invited to participate in this first-ever inclusive tribute to the Klika tradition. To help set this up, a rehearsal is planned for Noriega's Basque Restaurant in Bakersfield the Saturday before their Memorial Day weekend festival at 10am (followed by a no-host lunch there). We are also in the process of constructing a list of Klika participants over the years. Please help to get the word out for this. It's about time we got around to acknowledging these folks for their many years of dedication.

This month's club gathering will be Saturday night (May 31st) this time around, because we're hosting the NABO Mus finals earlier in the day, then rolling right into a dinner-dance that will also feature our annual "**Bizi Emankorra**" tribute. We hope that you can come to join us that day.

Plans are being finalized for our annual picnic and this year's hosting of the **NABO Convention**. We're expecting performers and entertainers from the Basque Country, as well as visiting dance groups and of course the klikas. Also included are *pilotari* from the Iparralde or French side that will challenge Mexico in a match. Action will stretch across the whole weekend with something for everyone! The final schedule will be posted soon. There is a full list of Basque festivals posted at the NABO website [www.naBASQUE.org] and while on the web, be sure to check out our club website as well. Laster arte!

Remembering our departed ones has always been a defining aspect of Basque culture. Accordingly, the club memorial was created with the intent of offering people a place to remember their loved ones within the context of our Basque community. In addition to listing the remembrance as above, nameplates are affixed to our memorial plaques in the clubhouse and once a year we celebrate a Memorial Mass where all of these people are acknowledged. If you'd like someone remembered, send their name to our PO Box. The cost is whatever you choose to donate.

BIZI EMANKORRA: Lifetime Contribution

The existence of our club is largely due to the extraordinary contributions of a handful of individuals. Over the last years we have begun acknowledging these folks little by little in the hope of over time expressing our appreciation to all those who made an extraordinary contribution of time, treasure and talent. This year we will acknowledge:

Erramun BACHOC

Juanes & Marceline INDABURU

Joseph & Mary ALMIRANTEARENA

REMINDER: Please send in your annual \$20 club dues to our PO Box. Mil esker!
